

PRODUCT FEATURES

Progress lights

Quickly check your goals via the OLED progress lights

MoveReady™ technology

Automatically detects when you're walking, running, or sleeping

Real-time reminders

Gentle vibrations alert you when to move or when it's time to wake up

The iFit Experience

With a Premium Membership, we do so much more than just track your stats...we'll transform them into personalized instructions that will change the way you workout, eat, sleep, and live every day. (Sold separately.)
